About me:

I have 24 years of experience of working as cameraman for wide range of national and international productions and televisions. I have operational knowledge of all latest digital systems currently in use from High Definition to 4K cameras. I have my own professional equipment (camera, lighting and audio), but all kind of equipment are also at my disposal and available to rent should they be needed. I am highly committed to work, flexible, cooperative and efficient, with good organizational skills. English, fluent speaking and writing.
